

To the many local businesses and supporters of the Manteno Oktoberfest,

This is an extra special event, as it marks the 20th year for the Manteno Oktoberfest! Each fall, Manteno becomes a destination for families and friends to experience one of the best festivals in the area. The success of this event proves how everyone working together can accomplish something so amazing. To see the number of visitors that Main Street hosts each year is a reflection of the hard work and energy of our volunteers and the continued support of our sponsors, the Village of Manteno and surrounding communities.

Plans are well underway for another successful event. This year's festival will be held September 21-24 and feature new and exciting music & events! I hope that your business or organization is as excited as we are at the opportunity to ensure Manteno's 20th Oktoberfest remains one of the premier events in the area!

You will find information on sponsorship and the amenities of each level to the left. Please consider making an investment in an event that provides your business an advertising opportunity that reaches over 30,000 guests.
