

To the many local businesses and supporters of the Manteno Oktoberfest,

As we approach the 21st Annual Manteno Oktoberfest, we reflect on all that is good in our community: we have celebrated many new businesses, we work closely with the Village to host events like Rockin' on Main and the Farmer's Market and have kicked off a new community program Lifestyle 360. We have a lot for which to be thankful. With all of the violence and upset in the world today, we feel now more than ever, it is of the essence to pause and join together to reflect on all the good surrounding us and to generate peace and love as a community. Year after year, the Oktoberfest has gathered people together to make new friends, reunite old friends, and gives us time to slow down and enjoy time with one another. Because of this, our committee is excited to announce the theme of Oktoberfest will be "Peace. Love. Community." The success of this event proves how everyone working together in a peaceful manner can accomplish great things. The hard work, energy, and support of our sponsors and volunteers is truly the reason this event is so successful. The best part about this is those sponsors and volunteers are our friends and neighbors -- the heart of our community -- which makes the Manteno Oktoberfest so special.

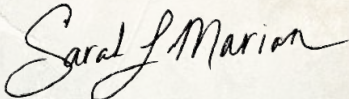

This year's festival will be held September 27th - 30th. I hope your business or organization shares in the eager anticipation for the opportunity to contribute to one of the most anticipated events in the county. Together, let's make this year's 21st Annual Oktoberfest the best yet.

You will find information on sponsorship and the amenities of each level to the right. Please consider making an investment in our community and in this event that provides your business an opportunity to reach over 30,000 guests and also makes the Manteno Oktoberfest so great.
